Academy College Added to JSfirm.com Job Distribution Network

Roanoke, Texas (February 13, 2023) - JSfirm.com continues to expand their Job Distribution Network by adding yet another partner, Academy College.

Academy College is dedicated to helping students realize their dreams, from piloting an aircraft to dispatch, aviation business to mechanic apprenticeships, and more. Academy College offers career training for graduates to secure exciting jobs in the aviation industry.

“The need for aviation professionals is growing at rapid speed, and it’s truly the best time to pursue an education and career in the field. The demand for all careers in aviation is projected to continue to trend upward, and we strive to prepare our students to excel in their future careers within the industry. Partnering with JSfirm.com means providing our students with the opportunity to search open positions that they will one day be qualified to fill, which is truly an invaluable asset.” Alicia Olson-Strilzuk, Campus Director, at Academy College said.

Laurie Elliott, Partnership Manager for JSfirm.com commented, “Academy College provides career-focused programs that ensure their students are prepared for the aviation industry. We are thrilled for the opportunity to add an additional tier of encouragement to these students to motivate them for what may be ahead of education and time spent at Academy College.”

Students and graduates of Academy College can now explore open career opportunities directly on Academy College’s website. To view Academy College’s job postings page, visit:
