JSfirm.com Enhances Jobs on NGPA.org

Roanoke, Texas (February 15, 2024) - The existing Job Distribution Network (JDN) partnership between JSfirm.com and the National Gay Pilots Association (NGPA) has been enhanced to increase user engagement.

NGPA is the largest organization of lesbian, gay, bisexual, transgender, and queer aviation professionals and enthusiasts from around the world. Since 1990, their mission has been simple: to build, support, and unite the LGBTQ aviation community world.

“The partnership between NGPA and JSfirm.com has already allowed our members at NGPA to browse and apply to open jobs, and we are so excited for this update to make it even better than before.” Justin Ellixson-Andrews, Executive Director of NGPA said.

Laurie Elliott, Partnership Manager for JSfirm.com said, “At JSfirm.com, we understand the importance of sharing opportunities to all demographics for companies. This partnership with NGPA is important, and we are thrilled about the opportunity to expand the ability of NGPA members to explore open positions across the industry.”

Members of NGPA can now explore open career opportunities directly on NGPA's website: <https://www.ngpa.org/jobs>.

Any aviation schools, programs, or associations interested in becoming a JSfirm.com Job Distribution Partner can contact Laurie Elliott directly at laurie@jsfirm.com.
