## Top Ranked Western Michigan University College of Aviation Partners with JSfirm.com

---

Roanoke, Texas (March 28, 2024) - JSfirm.com partners with the number two ranked aviation college in the nation - Western Michigan University College of Aviation.

Western Michigan College of Aviation prepares students for a career in aviation with a revolutionary new curriculum and practical training, designed to build the necessary skills the airline industry is seeking. Western Michigan is ranked as the number two best aviation college in the nation and has earned a global reputation with excellent programs that are accredited by the Aviation Accreditation Board International.

Tom Thinnies, Recruitment, Marketing, and Outreach Director for Western Michigan University College of Aviation commented, "Western Michigan University's College of Aviation is incredibly excited to be partnering with JSfirm.com. As one of the largest aviation programs in the country, it is very important for us to help students in our program find jobs within the aviation industry. As the fastest-growing aviation job website, JSfirm offers access to one of the largest databases of aviation jobs out there, which is a tremendous benefit to our students as they begin their career navigation. Coupled with this is a tremendous support staff who go above and beyond to the utilizers of their service."

"This partnership is truly monumental for JSfirm.com", Laurie Elliott, Partnership Manager for JSfirm.com said. "Western Michigan University College of Aviation is one of the largest and most prestigious programs in the country, and we're ecstatic to share empowering career pathways in the dynamic field of aviation with their students."
