## **JSfirm.com and the Universal Technical Institute (UTI) Partner to Provide Aviation Job Opportunities for Students**

---

Roanoke, Texas (April 1, 2025) - JSfirm.com, the world's largest resource for aviation jobs, is excited to announce a strategic partnership with Universal Technical Institute (UTI). UTI is the skilled trades, transportation and energy education division of Universal Technical Institute, Inc.

Through this collaboration, UTI is joining JSfirm.com's extensive Job Distribution Network as a Job Distribution Partner, giving UTI students and graduates free direct access to a dedicated job site where they can search for aviation career opportunities.

UTI offers an Airframe and Powerplant Technician program at UTI-Avondale, UTI-Canton, UTI-Houston, UTI-Long Beach, and UTI-Miramar. These hands-on programs equip UTI students with the skills and knowledge to test for their Airframe and Powerplant FAA certification and, upon successfully passing, to begin careers as entry-level aviation technicians.

"We look forward to providing UTI students with an invaluable job search tool," shared Laurie Elliott, Partnership Manager for JSfirm.com. "This will link them to some of the best employers in the aviation industry."

With over 20 years of experience, JSfirm.com serves as a trusted resource for job seekers and employers in the aviation industry. This partnership provides UTI's students and alumni a direct way to explore job opportunities and kick-start their careers while giving employers easier access to new talent ready to contribute to the industry's success.

Any aviation schools, programs, or associations interested in becoming a JSfirm.com Job Distribution Partner can contact Laurie Elliott directly at [laurie@jsfirm.com](mailto:laurie@jsfirm.com).
