## JSfirm.com/aviation - A Free Resource for Job Seekers

---

Roanoke, Texas (April 6, 2020) - Despite the current uncertainty surrounding the economy, JSfirm.com is still reporting a 32% increase in overall website traffic compared to this time last year.

JSfirm.com has been a pillar in aviation job advertisement for over 20 years. We remain committed to our users by working daily to provide the best resources for aviation companies and job seekers alike.

Abbey Hutter, Executive Director for JSfirm.com, said, "Now, more than ever, it's important the industry understands we are a free resource to job seekers, and we always have been." She added, "We have numerous, unique features to help research potential employers in the industry - we are not just an application portal." Hutter went on to list the free features that JSfirm.com offers their members:

- Job alerts
- Interactive job and company map
- Resume review
- Resume storage
- Quick apply
- Track applications
- Export favorites to Excel
- Save jobs and follow companies
- Message companies who aren't hiring
- And more!

Jeff Richards, Operations Manager for JSfirm.com said, "Today, it doesn't matter if a company is actively hiring or not. Our proprietary system allows job seekers to map every aerospace company in your backyard (or desired location) and export it to a manageable list that you can use when they are hiring." He added, "Best yet, this is also free to job seekers."

Job seekers are encouraged to view the free benefits JSfirm.com offers at: [jsfirm.com/aviation](https://www.jsfirm.com/aviation)
