JSfirm.com Awards A&P Scholarship at SUN 'n FUN

Roanoke, Texas (April 7, 2022) - JSfirm.com awarded an Airframe & Powerplant scholarship to a deserving student from the Central Florida Aerospace Academy. Jack Rice successfully met all application requirements and impressed a JSfirm.com Executive during a recent interview. Jack was officially presented with the JSfirm.com scholarship during the SUN 'n FUN exhibitor breakfast.

Jack is a current junior of Central Florida Aerospace Academy (CFAA) where he is taking Airframe & Powerplant classes. He is highly motivated and involved with his extra curricular activities. Jack is a 1st Lieutenant in Civil Air Patrol and currently serves as the Deputy Cadet Commander for Lakeland Composite Squadron. In addition, he holds the rank of Captain in JROTC and serves as Flight Commander. Jack continues to prove himself by working two part time jobs after school and on weekends as a Museum Attendant for the Florida Air Museum and working on his uncle's ranch. He expressed to us during his interview that his long term goal is to become a pilot, but he wants to be well versed in everything and anything related to aviation.

Lauren Miller, Marketing Coordinator of JSfirm.com, said, "Having the opportunity to present Jack Rice with the JSfirm.com Airframe & Powerplant scholarship was an honor. This CFAA student is going to do great things with his future and beyond." She continued, "JSfirm.com remains committed to helping sustain the aviation industry by supporting the future through education. We are truly honored to recognize the hard work of stellar aviation students such as Jack Rice."

About JSfirm.com

JSfirm.com continues to be the fastest-growing aviation job website with resume database access and has exclusively served the aviation industry for over 20 years. It is a free service for job seekers and an out-of-this-world place for aviation companies to advertise jobs and search resumes. For more information, please visit www.jsfirm.com or call 724-547-6203.
