EAA Launches Aviation Job Search Page with Help from JSfirm.com

Roanoke, Texas (April 17, 2017) - JSfirm.com, an aviation-only job website with resume database access, recently announced the newest partner to join their Job Distribution Network: the Experimental Aircraft Association (EAA).

Rebecca Fischer, Business Development Manager for EAA, said, "Our partnership with JSfirm.com continues to grow and we are happy to work with them to provide a job search feature to our website. This is a great feature for our online visitors." She continued, "Whether you're wondering what careers are available in the industry, or just looking for a professional change of pace, you'll find that there are opportunities for everyone on our new Aviation Job Search page."

Abbey Hutter, Marketing Coordinator for JSfirm.com, said, "We couldn't be more excited about our partnership with EAA. Now, in addition to their week-long job fair during AirVenture, online visitors can search aviation jobs directly on EAA's website, year-round!" She added, "We believe that creating partnerships dedicated to connecting aviation companies with aviation professionals will continue to help sustain our industry."
