JSfirm.com Partners with SkyOp

_____

Roanoke, Texas (May 7, 2019) - JSfirm.com, an aviation-only job website with resume database access, is proud to partner with SkyOp LLC, an industry leader in drone training courseware. With efforts to expand strategic Job Distribution Network partnerships, JSfirm.com hopes to bring awareness to career opportunities within the rising UAV/UAS industry.

Heather Ottenberg, Career Services Advisor at JSfirm.com, said "SkyOp's footprint within the niche industry of sUAS is a large one that influences many. JSfirm.com is looking forward to working with SkyOp to serve the expanding industry, as the UAV/UAS job openings show high demand for certified drone pilots."

Brian Pitre, Co-Founder and Chairman of SkyOp, said "We're excited about our partnership with JSfirm.com because it links our highly trained and FAA Part 107 certified drone pilots with the rapidly growing number of sUAS jobs."

About SkyOp
Headquartered in Canandaigua, N.Y., SkyOp LLC develops industry leading drone training courseware, licenses it to its partners and delivers it directly to end users, facilitating the safe, lawful and effective adoption of drone technology. Its turnkey training solutions range from introductory hands-on drone training to nationally recognized high school STEM curricula. In addition to hosting training courses, SkyOp works with educational institutions, public safety organizations and businesses of all sizes to develop custom training solutions that meet their unique needs.

About JSfirm.com
JSfirm.com continues to be the fastest-growing aviation job website with resume database access and has exclusively served the aviation industry for over 20 years. It is a free service for job seekers and an out-of-this-world place for aviation companies to advertise jobs and search resumes. For more information, please visit www.jsfirm.com or call 724-547-6203.
