JSfirm.com Offers Aviation Job Seeker Help

Roanoke, Texas (June 17, 2020) - JSfirm.com remains committed to providing aviation professionals with the resources they need to successfully manage their job search, and has begun hosting free webinars to keep job seekers informed and up to date on the most effective ways to search for a job in the current climate.

These informational webinars cover how to use JSfirm.com to maximize your job search efforts, along with resume and interview tips. Each webinar is customized to a different facet of the aviation industry, from pilots to mechanics to engineers and more. Individuals who are unable to attend the live webinar are able to sign up to receive a recording 24 hours after the event.

JSfirm.com has conducted 15 webinars with more being scheduled daily. As a result of this effort, there has been a 73% increase in new members utilizing JSfirm.com.

JSfirm.com Executive Director Abbey Hutter said, "We want to ensure all of our users know how to utilize the tools and features of our website when searching for job opportunities." She continued, "Aside from our webinars, we are partnering with different aviation associations to deliver the same information to their members."

To learn more about future and past webinars email: lauren@jsfirm.com.

About JSfirm.com

JSfirm.com continues to be the fastest-growing aviation job website with resume database access and has exclusively served the aviation industry for over 20 years. It is a free service for job seekers and an out-of-this-world place for aviation companies to advertise jobs and search resumes. For more information, please visit www.jsfirm.com or call 724-547-6203.
