JSfirm.com Enhances Job Distribution Network (JDN) with 2FLY Airborne

Roanoke, Texas (October 7, 2024) - JSfirm.com has enhanced their Job Distribution Network by adding a new partnership with 2FLY Airborne.

Since their founding in 1994, 2FLY Airborne has grown to become one of the largest independent providers of flight training in the United States. 2FLY Airborne is held to the highest standards by the FAA and EASA aviation authorities. Their FAA training programs are all conducted under the FAA Part 141 and 61 prescribed training outlines. 2FLY Airborne maintains a progressive approach to identifying solutions in order to produce top-notch graduate pilots of the highest caliber. Working closely with airlines and type rating providers, 2FLY Airborne can carefully monitor and respond to their requirements.

“Partnering with JSfirm.com opens doors for students, turning aspirations into opportunities. This partnership is more than a collaboration; it's a gateway to our students' future careers.” Jean Pierre LeBlanc, Senior Training Advisor commented.

Laurie Elliott, Partnership Manager for JSfirm.com said, “We have been working diligently to expand our partnerships with a range of valuable and relevant partners; 2FLY Airborne is the newest addition and we are proud to showcase this collaboration and how seamlessly it will provide students and alumni of 2FLY Airborne with the ability to browse open career opportunities.”

Students and alumni of 2FLY can now explore open career opportunities directly on 2FLY's website: <https://www.2flyairborne.com/aviation-careers/>

About 2FLY Airborne

Founded in 1994, 2FLY Airborne has grown to become one of the largest independent providers of flight training in the United States. 2FLY Airborne is held to the highest standards by the FAA and EASA aviation authorities. Our FAA training programs are all conducted under the FAA Part 141 and 61 prescribed training outlines.
