JSfirm.com Resume Database Expands Exponentially

Roanoke, Texas (October 22, 2019) - JSfirm.com continues to see a constant increase in the total numbers of both job seekers and hiring companies utilizing their website, even while the aviation industry feels the impact of the personnel shortage.

Compared to 2018 (to date), JSfirm.com has seen a 133.98% increase of job seekers using their website to search for aviation jobs. This includes job seekers of all experience levels, from recent graduates to executive-level professionals. With this significant growth, JSfirm.com confidently predicts they will continue to see an increase of aviation job seekers through the rest of 2019, and exceed those numbers in 2020.

Likewise, the number of overall companies advertising on JSfirm.com has increased 117.19% in comparison to 2018.

JSfirm.com attributes their overall growth to strong marketing efforts. Executive Director, Abbey Hutter said, "We have a whole team dedicated to job seeker outreach, and our efforts are multifaceted. We constantly strive to develop new initiatives, including industry partnerships, student outreach programs, and continually adding new website features and tools for our users." She continued, "As a stand-out leader in the aviation industry for both aviation job seekers and hiring companies, JSfirm.com will continue to innovate and grow to address the hiring needs of the aviation industry."
